WELCOME

Getting to know a college should be about more than majors and dining hall menus. At Fisher College, it's about our faculty and administrators knowing your name — and you knowing ours. Through Fisher, you'll find the world in Boston.

Our students benefit from a personalized education path, mentorship from professors and an amazing range of experiences inside and outside the classroom.

We want to see you enjoy yourself, grow into a more thoughtful and powerful individual, expand your horizons, and go on to shape our world at the very best companies and organizations across the globe. And it all starts here.

We are Fisher College — it's nice to meet you.

– Thomas Englehardt '09, *Director of Admissions*

"Fisher College's Honors Program gave me the challenging academic environment I was looking for, but at an affordable price that wouldn't leave me with a lot of debt after graduation."

HONORS PROGRAMS

The Fisher College Honors Program invites a select group of students with strong academic credentials to explore how their area of professional study intersects with social sciences and humanities. The Honors Program encourages students to apply what they've learned from their education and other experiences to better Boston and the world through community service and social responsibility. Membership in the Honors Program includes:

- An awarded annual $2,000 scholarship
- Exclusive course offerings that enhance your resume
- Extracurricular opportunities and events to meet Boston civic and arts leaders
- Students can also join other honors groups including:
  - Alpha Phi Sigma, the National Criminal Justice Honor Society
  - Psi Chi, the International Honor Society in Psychology
  - Golden Key Honor Society, for undergraduate students in top 15% of their class

GRADUATE DEGREES

The Fisher College graduate degrees are grounded in the real world. Our flagship graduate degree, the Master of Business Administration in Strategic Leadership, offers two focuses in Accounting and Sport Administration, and is offered either as a 4+1 in-class degree or online. The 30 credit Master of Arts in Psychology, offered online, and 60-credit Master of Arts in Counseling Psychology, offered in a blended format or entirely online, can be completed within 2 years. Our newest program is the Master of Science in Criminal Justice which is offered online.

TRAVEL THE WORLD

There is no better way for students to understand the world than through our study abroad and Semester at Sea programs. Visit over 20 different countries and experience first-hand what it means to live and learn through the eyes of a new culture and grow both as a student and a professional. Financial aid is available for those who qualify.

Our students have studied in the following countries:

- Argentina
- Australia
- China
- Costa Rica
- England
- France
- Greece
- Ireland
- Italy
- South Africa
- Spain

PRACTICAL EXPERIENCES

A FULFILLING EXPERIENCE

Student Life at Fisher blends the best parts of a small campus with all the benefits of metropolitan living. Both on campus and around the city, our students have access to everything needed for a well-rounded and fulfilling college experience. Fisher students are encouraged to get involved with our many clubs and organizations, try out for (or cheer on) our athletic teams and find their place in the Boston community. You'll make friends and have experiences that last a lifetime.

THE HEART OF BOSTON

Location, location, location. While many colleges claim to be minutes from Boston – Fisher College **is** Boston. Walk for five minutes in any direction and you will find why Boston is considered *America's #1 College Town.* Fisher is truly the doorway to your future. Internships on Newbury Street, arts and entertainment in the Theatre District, dinner by the Harbor, night life in the North End, success in the Seaport – all at your fingertips. Your classes will be in Back Bay, but your experiences will be global.

Welcome to the neighborhood.

EMBRACING
COMMUNITY

Fisher College is your home away from home. Our residential halls are the historic brownstones Boston is famous for. Step off campus and you are in the heart of Boston with easy access to the MBTA that will transport you to all the different and vibrant sections of the city. You will feel like a native Bostonian in no time. Feel like staying on campus? Partake in any of the countless events Student Activities has planned for you.

"Fisher College feels like home. You may be far away or you may be close by, but it's home."

COMMUTER LIFE

With our location within the heart of Boston's Back Bay neighborhood you will have no problem commuting to and from campus. With the benefit of the discounted semester MBTA pass and nearly every "T" easily accessible, you will never miss a moment on or off campus. Join a club or start your own, play a sport or star in the annual play – all of these and more. Commuters make Fisher their home away from home, enjoying the commuter only perk of the monthly Commuter Student Luncheon.

"I always wanted to work with a sports organization and with the help of Professor Shea I was able to get an interview and fulfill that dream! It opened my eyes to a whole new field and created opportunities I never could have imagined. It might be hard at times, but the experience is definitely worth it since it opens up so many wonderful and unexpected opportunities."
