

MA003 - Fundamentals of Algebra

Required Materials for Your Course

Fisher College provides you with access to the Blackboard course management system. After you have been enrolled in this course, when you login to Blackboard with the username and password you received from the school, the course will be listed under "My Courses". To access the course, you must purchase a course access key (\$69.95). The course access key is separate from the username/password provided by the school that you use to access the Blackboard system. You will only need to enter the access key once.

To Purchase an Access Key:

1. Go to <http://www.codcourses.com>.
2. On the left side of the page, where it says "Students: Purchase Course", enter *ISBN number 978-0-97866-610-1*. Include the dashes, but don't include the period, and don't enter any spaces before or after the number.
3. Click "Go".
4. You will see a secure purchase page, with information for **Pre-Algebra - Blackboard**.
5. Fill out the purchase form accurately and completely. **You name and billing address must match what your credit card company has on file exactly.**
6. Click "Purchase Course".
7. After approval of the purchase, **your access key will be emailed to you at the address you provided on the purchase form.**

Refund Policy

No refund will be given if an access key has been used. If the access key has not been used, a 90% refund will be given if requested within 10 calendar days of the purchase date (there is a 10% processing fee). No refund will be given if requested after 10 calendar days from the purchase date - even if the access key has not been used. Call Content on Demand at 858-618-4705 to request a refund.
