

COLLEGE 101

A PATHWAY TO HIGHER EDUCATION

At Fisher, we believe that college is more than just an education—it's a life-changing experience. College molds your perspective of the world, provides new opportunities, and exposes you to new ideas. Since 1903, Fisher has been providing life-changing experiences to students by focusing on the three most important aspects of a college experience: education, dedication, and life.

We believe that all students should have access to the tools necessary to succeed in higher education. Students build connections with Fisher that will set them on a path towards completing their degree, quickly entering the workforce, and becoming the next generation of leaders in Boston. College 101 is a proven model for partnerships between high school and higher education. Fisher aims to extend the reach of College 101 as well as catalyze a citywide network of high school and higher education partnerships.

KEY BENEFITS

College 101 students enjoy a series of key benefits from their participation in Fisher's unique program, including the chance to accomplish the following:

- Earn a **\$22,000 scholarship** per year to Fisher upon completing the program.
- Take three courses, each for three college credits, with books included **at absolutely no cost**. Start taking classes **junior year**.
- Earn up to **18 accredited college credits** before you even graduate high school.
- Jump-start a **college career**, academically and socially.
- Potentially graduate from college **one semester earlier** than anticipated.
- Gain **resume-building** skills.
- Develop a **professional network** through courses and experiences.

HUGE SAVINGS, INCREDIBLE VALUE

The credits a student earns through College 101 may be applied to a college education at Fisher, giving a student a head start on an education that is relevant in today's economy. Credits may also be transferred to other institutions. This means that participating in College 101 is a financial savings of **nearly \$10,000!**

Upon completion of the College 101 program, students who elect to attend Fisher College after graduating from high school are awarded the **\$22,000 College 101 Scholarship**. This is a renewable award given to students in addition to any institutional, federal, or state aid for which they may qualify.

The academic model for College 101 is designed to give high school students a first-hand college experience. Here's how:

- Students take a customized, six-week hybrid summer course for three college credits. Classes are 90-minute morning sessions, four days a week.
- Each cohort will have a Fisher College student who serves as the designated Peer Mentor. Peer Mentors act as a resource for fellow students to ask questions about Fisher and their academic work.

Class offerings:

- CJ101 – Introduction to Criminal Justice
- CM101 – Introduction to Mass Communications
- MG201 – Principles of Management
- PS101 – Introduction to Psychology
