The income listed on your financial aid application materials is unusually low. We are requesting additional data about your household finances so that we may understand your expenses and how you are meeting your financial obligations.

Please indicate all expenses and resources for your household from January 2020 through December 2020 by writing in the amount you pay or receive each month in the categories listed below.

## For any category in which you had no Expenses or Resources, please write "0" or "N/A."
