### Instructions to Create an FSA ID

Before you are able to electronically sign the FAFSA form online, or access any other Federal Student Aid websites, you will need a **Federal Student Aid ID (FSA ID)**. The FSA ID is created online at <https://fsaid.ed.gov>. **You and one parent will each need an FSA ID and Password to complete and electronically sign the FAFSA application!**

**Create a New FSA ID**

New to FSA? **Create an FSA ID** account below. An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member.

You are not allowed to have an employee or agent of a commercial entity, or other third party, create an FSA ID for you for any purposes including but not limited to: payment reductions, debt consolidation or applying for aid. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.
